

the past, present and future of Grove Street

Public Meeting

March 31st

7:00PM

Council Chamber

Watertown Administration Building
149 Main Street

What's the purpose of the meeting?

To gather ideas from the community about how the historic Shick family home could contribute to economic development in the Grove Street area of East Watertown.

Who's conducting the meeting?

A graduate student team from Tufts University's Urban and Environmental Policy and Planning program. They're working to identify historic preservation-led strategies for economic development in the area surrounding the historic Shick House on Grove Street (see map for study area).

How do I fit in?

Attend the meeting to share ideas about the future of the Shick House and what you want the future of your community to look like!
